Utilizing the principles of *BLOOM*, Janet's training empowers teams to embrace their diversity and celebrate individuality. **Cultivate the power of your team!** Experience performance breakthroughs, expand your possibilities, and elevate your practice success!

Choose from Janet's most requested topics below:

- ~ Empowered Communication Skills
- ~ Increasing Treatment Acceptance
- ~ Selling Dentistry Ethically, Elegantly and Effectively
- ~ Decreasing Cancellations and No-Shows
- ~ Maximizing Practice Production
- ~ Creating a Cohesive Team
- ~ Enhancing Doctor / Hygiene relationships
- ~ Increasing Patient Care
- ~ Building Stronger Patient Relationships

Production is a reflection of patient care.

Increase patient care = increase production.

"I can **more effectively explain proposed treatment** for my patients in a way they can more clearly comprehend. I find I **use these skills daily** and it certainly has **contributed to the success** of our practice."

— Dr. Jeffrey G. Priluck, DMD, MAGD

"Janet brought my **communication skill to a new level**. I communicate better with my team and production with my patient care has greatly improved".

Julie Spruill, RDH

Maximizing personal potential through the art of living in harmony with nature.
